

I speak blessings on you and yours this very day and I pray that grace and peace multiply in your life as you continue to grow in knowledge of Him.

Thank you for taking some moments to visit our WMF Website. Please use it to its fullest intent - which is to inform you of all WMF offers and benefits.

I'm new as WMF President, but not new to WMF. I have been a part of this Organization since 1980 and have served on the Advisory Board, the Ordination Council and the Executive Board. I have been exceedingly blessed by the relationships formed with those of like precious faith in WMF.

Each year, the President has the privilege of suggesting a “theme” for the following years Convocation. We believe the Lord has spoken to us that for 2010 it should be “**As One.**” Foundational Scripture can be found in Judges 6:16 “But the Lord said to him, ‘Surely I will be with you, and you shall defeat the Midianites **as one man**’” (emphasis, mine), and in Acts 4:24, 31 “—they lifted up their voices to God with **one accord** — And when they had prayed, the place where they had gathered was shaken—and began to speak the Word of God with boldness” (emphasis mine).

The Midianites in Gideon’s time were those who stole the harvest just as it was ready to bring in. You know the account, I’m sure, of how Gideon ended up with only a few, yet “**as one**” blew their trumpets and shattered their pitchers containing a torch the enemy was instantly defeated, and the harvest was reaped!

As the sound of the Lord was released. **As one** sound and light was revealed all around, dread and fear struck the hearts of the enemies of the Lord. They destroyed themselves as they fled. In Acts, again, “one sound” brought a shaking and released them in boldness to speak the Word of God.

Brethren, I believe we, as WMF members, can & should be those who **as one** release the sound and light of the Lord with boldness in our spheres of influence! It is time some enemies of the Cross are overcome with fear and dread and run from their deception as if for their very lives. There are many issues where Scripture is crystal clear and if we don’t speak up, who will? If we don’t release light and sound who will? If not now, when? We need to at the very least be like the four lepers of First Kings and say “why sit we here until we die?” It is time for leaders - men and women just like you - to arise and head right for the enemy camp. Those men’s footsteps became the “sound of the Lord.” Our communities and leaders of Government, Education, Media, Business, Military, Family and even Church must hear the sound of the Lord and be exposed to His light / life! We are not called to hide, but rather to arise and shine with the glory of the Lord upon us touching those caught in gross darkness so that they and those who are with them can stream into the Kingdom of our God!

The enemies of the Cross boldly make their declarations, why not us? The enemies of the Cross willingly give of their time for their cause, why not us? The enemies of the Cross generously spend on their issues, why not us? The enemies of the Cross are not afraid to be identified with their cause, why us? The enemies of the Cross arm themselves with talking points, why not us? The enemies of the Cross are steadfastly pursuing their goals, why not us? The enemies of the Cross never stop at a “no,” why us?

Let’s decide that if we release a sound **As One** across the land, things will begin to shake, boldness will begin to arise in many of the Kingdom who are timid, and that those opposed to Christ will begin to flee.

The great harvest of the Kingdom is the souls of men! The intent of God in the first Adam was for His people to have dominion in the earth, and the second Adam came to redeem that which was lost - men and the dominion given at creation. It is time to reap the harvest! It is time for that “Midianite” spirit / attitude to be defeated in America. It is time for men and women of God in each of our communities to have active influence in Government, Education, Media, Business, Military, Family and Church! It is time that your church / ministry has fruit of your ministry on the town council, school board, etc. Our men and women have God given talents / gifts to be glory releasers in their place of employment - not with tracts and sermons, but rather with excellence of work ethics that brings them into a place of influence allowing the release of Godly principles - even if many don’t recognize it as the hand of God!

As WMF leaders, if we can **as one** release the sound and light of the Lord the “awakening of the Lord” that has begun will bring new life to our Nation. Let us listen for what the Lord is saying to the churches (see the seven letters of Revelation two and three). Let us build upon the foundation of the Word of the Lord through His Prophets and the strategies released through His Apostles. Let us be quick to counsel together in our geographical locations and get the mind of the Lord and begin with zeal towards Him to function **As One!**

If God is for you who can be against you? Together, we advance the victory of the King of the Kingdom!
